WHAT YOU'LL LEARN

- ✓ Story filters with dimensions & measures
- ✓ Building interactive charts & a second dashboard
- ✓ SAC Digital Boardroom concepts
- ✓ Dashboard interactivity & input controls
- ✓ Sharing & publishing dashboards to stakeholders

WHY THIS COURSE

Built for your role

No wasted time on modeling or planning modules you'll never touch.

Fast, focused

Two weeks, not two months — a skill add-on, not a career pivot.

Present with confidence

Leave able to build a workforce dashboard stakeholders trust.
